

PRODUCT NAME: 18V XR 2PC COMBINATION KIT

5.0Ah/6.0Ah

PRODUCT CODE: DCZ297P1T1T-XE

TOOLS

APPLICATIONS

- Light & heavy-duty household use
- Construction sites

For extreme performance, step up to the 18V XR® Brushless series and get advanced electronics, extended run times & faster application speeds. To deliver ultimate job site versatility this kit features an 18V XR with FLEXVOLT Advantage tool which recognises XR FLEXVOLT batteries to deliver more power than with standard 18V XR batteries.

The combination kit includes:

- **DCD999** 18V XR XRP 3 Speed Hammer Drill/Driver with FLEXVOLT Advantage featuring 112Nm of torque & an all-metal gearbox
- **DCF887** 18V XR Brushless Li-Ion 3 Speed Impact Driver with 205Nm Torque with exceptional driving power as well as the ability to reduce both speed & impact energy for lighter applications
- **DCB546** 18V/54V XR FLEXVOLT 6.0Ah Battery Pack
- **DCB184** 18V XR 5.0Ah Li-Ion Battery
- Multi-Voltage 6A Charger
- **TSTAK** Kitbox
