

PRODUCT NAME: 18V XR SPLIT SHAFT LINE TRIMMER SKIN

PRODUCT CODE: DCMST561N-XE

LANDSCAPING

High efficiency brushless motor provides more power & less maintenance.

- 33cm swath with 40 minutes runtime on low, no load
- Split shaft mechanism allowing for easy transportation & storage
- Quickload™ Spool bump feed system allows for total user control when feeding line
- 2mm line powers through overgrowth & weeds
- Padded handle for optimal user comfort with professional style guide for greater cut access & visibility

Cutting Width	33cm
Line Diameter	2mm
Cutting Speed (RPM)	0-4600/0-6000 rpm
Weight	3.5kg

APPLICATIONS

- Light Trimming
- Light Edging
- Light Clearing

ACCESSORIES

Line Trimmer Line 2mm x 15.2m
DT20650-QZ

Line Trimmer Line 2.5MM x 68m
DT20652-QZ

String Spool + Line
DT20656-QZ

QUICKWIND™ Spool
DT20658-QZ

FEATURES

High-Efficiency Brushless Motor
For longer motor life & run time.

33cm Cutting Diameter
For increased cutting capacity with an easy bump feed head.

Quick Load™ Spool Head
Eliminates disassembling the cutting head to load more line.

Folding Hinge
For compact storage & easy transport.
