

# **HUSQVARNA 585**

Husqvarna 585 has been developed for forestry and tree care workers looking for a robust and durable chainsaw that's easy to manoeuver and maintain even in tough conditions. This chainsaw combines proven technology with modern design and performance. The powerful X-Torq engine combined with the X-Cut C85 chain delivers excellent cutting capacity. Equipped with X-Tough™ bar. Recommended bar lengths from 20" to 36".

### Reliable performance with different fuels

Designed to be able to run with many kinds of fuel qualities including high ethanol levels, the engine can handle ethanol content up to 25%.

#### More powerful and convenient

The saw delivers excellent cutting capacity as well as improved vibration levels and optimized manoeuvrability for an improved cutting experience.

The robust design with high-quality components, the easy-to-adjust carburetor and the heavy-duty air filtration system will make it easy to take on the most challenging of tasks.

## Equipped for the very best workday

The saw is equipped with our durable X-Tough™ bar with long lifetime, which facilitate straight cuts and minimize pinching.

#### **PXM\_FEATURES**

- Robust design, easy-to-adjust carburetor and heavy-duty air filtration system
- Excellent cutting capacity, improved vibration levels and optimized manoeuvrability for improved cutting experience
- Handles ethanol content up to 25%.
- Comes with X-Tough™ bar, facilitating straight cuts and minimized pinching.
- Easier diagnostics means quicker and better service
- Reduces the strain on your body and makes the saw nimbler
- The retaining function prevents losing the bar nuts.

- · Heavy duty air filter for better filtration
- Maintains performance, gives less wear
- Clutch cover design optimises chip ejection
- Screws held in place
- Fast acceleration
- · Perfect sight critical for felling
- Large transparent tank window simplifies fuel level check
- Easy to open and secure
- X-Torq® engine cuts emissions and fuel consumption
