

## Husqvarna PW 350

Get perfectly cleaned outdoor surfaces with the robust and versatile Husqvarna PW 350 high-pressure washer. It has a long, flexible hose for extended reach and easy operation. The reliable, high-performing induction motor and the metal pump minimises breaks and deliver premium performance. Both gentle and rough nozzles are included for efficient and flexible cleaning of all types of surfaces – from light rinsing to more demanding tasks. Designed with convenient onboard storage so you have everything you need within reach.

The PW 350 is compatible with several accessories, and to easily get the optimal setup for each task, nozzle and pressure guides are available on the washer. When the job is finished, roll-up is done quickly using the hose reel with support guide, providing efficient hose storage. The pressure washer also features large soft tread wheels for great traction in demanding terrain, low force trigger gun, and foldable aluminum handle to reduce the space needed for storage.
