

## TS 248TXD

Husqvarna TS 248TXD is a powerful and comfortable side discharge tractor with sturdy ClearCut™ deck and smart, user-friendly design, developed for use in medium- to large-sized gardens. Dual Pedal-operated hydrostatic transmission and cast front axle means easy, trouble-free operation and the locking differential transmission gives superior traction in slippery conditions and slopes. Equipped with 15" deluxe seat, soft rim steering wheel, LED lights and turn key start. Collector and BioClip® kit are available as accessories.
