

Husqvarna 525iLXT

Husqvarna 525iLXT is a robust, high-performance professional battery grass trimmer. Well-balanced, lightweight and power equivalent to a 25cc petrol machine. This cordless electric grass trimmer is designed for full-time use, delivering the performance you need with a brushless, E-TORQ motor and 47 cm cutting diameter. You operate it easily and efficiently thanks to the comfortable loop handle, intuitive keypad with 3-speed mode and ErgoFeed trimmer head. Integrated connectivity for easy connection to digital services. Battery and charger not included.

ActiveCool

Husqvarna ActiveCool enables efficient cooling of the battery, both during charging and discharging. Thanks to the active cooling system your battery powered product remains fully productive, also in demanding conditions while the lifetime of your batteries prolongs.

Integrated connectivity

Machines with a built-in connectivity module can easily be connected with Husqvarna Fleet Services™. Allowing you to see each machine's last known location, its usage stats and service history – and much more. This also facilitates updates of the machine's firmware, so that it's always compatible with the latest functions in Husqvarna Fleet Services™.

Outstanding cutting capacity

The unique, Husqvarna developed high torq motor combined with the outstanding cutting diameter provide highest capacity.

Weatherproof (IPX4)

This battery-powered Husqvarna machine fulfils the IPX4 classification for rain resistance. This makes it a long-lasting and reliable tool that can be used all year round in all weather conditions.

FEATURES

- Cut more in less time
- Integrated connectivity for easy connect to Husqvarna FleetServices™
- Full productivity also in demanding conditions
- Fulfils the IPX4 classification for rain resistance, so you can get the job done in all weather conditions.
- A purposeful solution
- Truly cordless for highest flexibility
- Pleasant for you and your surrounding.
- The battery is placed horizontally through the machine to reduce the risk of dirt and water getting into the battery compartment.
- ErgoFeed™ trimmer function
- Optimised gear angle for best cutting performance
- Efficient brushless E-TORQ motor
- Intuitive advanced key pad
- 3-Speed mode maximise your runtime
- This product does not emit CO₂ emissions during use.

Technical Specifications	
BATTERY	
Battery charger	Not included
Battery voltage	40 V
Number of batteries included	0
Weight (excl. battery and cutting equipment)	3.1 kg
CAPACITY	
Maximum power speed	10500 rpm
Maximum rpm output shaft	7200 rpm
Output shaft thread	M10x1.25 Lefthanded
DIMENSIONS	
Article gross weight	6300 g
Article net weight	2800 g
Cutting width	46 cm
Tube length	1436 mm
Tube diameter	24 mm
ENGINE	
Motor type	BLDC (brushless)
EQUIPMENT	
Connected digital function set (calc)	Connectivity BT : N/A N/AHusqvarna Common Service Tool : N/A N/APremium : N/A N/A
Drive gear angle	30 °
Gear ratio	1
Handle type	Loop
Trimmer head	E35B
Output shaft thread	M10x1.25 Lefthanded
PACKAGING	
Packaging height	189 mm
Packaging length	1830 mm
Packaging volume	92 dm ³
Packaging width	265 mm
Quantity in Master pack	1
MATERIALS	
Master pack: Paper + Cardboard	0 g
Metal total	0 g
Paper + Cardboard total	1929 g
PE total	0 g
